

Recommendations for School

School will provide pencils, sharpeners, erasers, glue, scissors, dry erase marker and some colouring pencils for children to share in class. It may be helpful to bring some supplies of your own.

My recommendations for a class pencil case would be:

- pencils
- enclosed sharpener
- eraser/rubber
- colouring pencils
- dry erase marker
- glue stick
- ruler

You are also allowed to bring in a notebook for doodling/drawing in class and a small hand sanitizer if you wish. These are **NOT** necessities, just recommendations.

I do **not** recommend:

- markers
- scissors
- PVA glue
- permanent markers/sharpeners

If we need to use these items, the school will provide them.

Many thanks,

Ms MC Canavan
